# 2024 4-H ELECTRIC CAMP

"Connecting YOUTH to the Future"

**JUNE 25-28**  
**UNIVERSITY OF TN**  
**KNOXVILLE**

## What happens at Electric Camp?

Some of the activities include:

- Learning Stations
  - Build an Electric Lamp
  - Flying Drones
  - Program a Robot
  - Electric Vehicles like Teslas
  - Electrical Safety
- Swimming
- Trip to Main Event in Knoxville
- Pizza Party
- Dance & Swim Party

All registered campers will be required to complete an Activity and Event Acceptance Form (F600A) to bring to Electric Camp. By signing the F600A form, parents/guardians give permission for their 4-H'er to take supervised field trips and participate in related activities.

F600A forms will be given or mailed to participants upon registration.

## Who can attend Electric Camp?

Electric Camp is open to any 4-H'er in the 6-8th grades as of January 1, 2024.

## How much is Electric Camp?

The cost of Electric Camp is \$325 per participant. This fee includes your dorm room, meals, admission to the Main Event, and all materials.

Thanks to the generosity of Meriwether Lewis Electric Cooperative, a limited number of participants with MLEC services are eligible for a partial scholarship! Please contact our office to complete an application.

## Is transportation included in the cost?

Yes, transportation is provided by Electric Camp sponsors. More information about travel stops will be provided to registered participants.
